Manhattan Prep's 4th Edition GRE Strategy Guides have been redesigned with the student in mind. With updated content and new practice problems, they are the richest, most content-driven GRE materials on the market.

Manhattan Prep's 4th Edition GRE Strategy Guides have been redesigned with the student in mind. With updated content and new practice problems, they are the richest, most content-driven GRE materials on the market.

Written by Manhattan Prep's high-caliber GRE instructors, GRE Quantitative Comparisons & Data Interpretation is really two books in one, thoroughly covering two of the quantitative question types on the GRE. The Guide to Quantitative Comparisons provides you with a framework for understanding what Quantitative Comparisons questions test. Most importantly, it discusses time-saving strategies specific to the Quantitative Comparisons format so that you can know when to solve rigorously, when to estimate, and when to test numbers. The Guide to Data Interpretation presents an overview of the types of graphs students can expect to see on the GRE. It also discusses the different types of questions typically seen on the GRE and provides guidelines for reading graphs and combining information from different graphs to answer questions. Each chapter provides comprehensive coverage of the subject matter through rules, strategies, and in-depth examples to help you build confidence and content mastery. In addition, the guide contains "Check Your Skills" quizzes as you progress through the material, complete problem sets at the end of every chapter, and mixed drill sets at the end of the book to help you build accuracy and speed. All practice problems include detailed answer explanations written by top-scorers!

Founded in 2000 by a Teach for America alumnus, Manhattan Prep is a leading test prep provider with locations across the US and the world. Known for its unparalleled teaching and curricular materials, the company's philosophy is simple: help students achieve their goals by providing the best curriculum and highest-quality instructors in the industry. Manhattan Prep's rigorous, content-based curriculum eschews the "tricks and gimmicks" approach common in the world of test prep and is developed by actual instructors with 99th percentile scores. Offering courses and materials for the GMAT, GRE, LSAT, and SAT, Manhattan Prep is the very best.

Other Books

GRE All the Quant. Written by our 99th percentile GRE instructors, Manhattan Prep's GRE All the Quant features in-depth lessons covering the facts, rules, and strategies for every math question type and content area on the GRE. This edition of GRE All the Quant has been reorganized to start you at the fundamentals and take you all the way through the hardest topics—start where you need and go as far as you need for your target score. We teach you not just the facts, formulas, and rules but also the strategies that will save you time and mental energy on the test—from estimation to testing cases to working backwards from the answers. Each chapter provides comprehensive subject matter coverage with numerous examples and thorough explanations to help you build confidence and content mastery. Mixed drill sets help you develop accuracy and speed. Every lesson, problem, and explanation was written by a 99th-percentile GRE instructor—we know how to earn a great score and we know how to teach you to do the same.

Ⓜ Ⓜ Ⓜ Ⓜ Ⓜ . The 20 problems in each Math section can be broken down by format as follows (all

numbers are approximate): 7 Quantitative Comparison problems—These ask you to compare two quantities and pick one of four choices (A, B, C, or D)."
