This indispensable workbook teaches everything you need to know to become an esteemed dragonologist.

Attention, devoted dragonology students! How many classic riddles do you know that could help you survive a dragon encounter? What dragon species attacks its victims with a "frosty blast" instead of a jet of flame? Which historical questions should you ask a dragon in order to estimate its age? Can you write your name using only dragon runes? Contained in this beautifully designed, comprehensive course book are invisibility spells to memorize, charts to complete, maps to shade in, matching exercises to do, journal entries to write, experiments to conduct, even instructions for making a dragon attractor. Among the volume's charming novelty elements are:

--Dr. Drake's own school report card

-- A pullout official ID card from the Secret & Ancient Society of Dragonologists

--Four sheets of stickers featuring dragons, gems, vintage ads and posters -- and more! How many classic riddles do you know that could help you survive a dragon encounter? What dragon species attacks its victims with a "frosty blast" instead of a jet of flame? Which historical questions should you ask a dragon to determine its age? Can you write your name using only dragon runes? Learn the answers as Dr. Drake guides you through twenty-one lessons that promise to make you an undisputed expert in Dragonology!"This series of Elementary Lessons has been created to provide a basic introduction to dragons. It has also been designed so that it gives something in the nature of a test. If the student feels the lessons are too difficult or does not enjoy them for any reason, then perhaps now is the time for re-evaluation and for deciding whether Dragonology really ought to become one's life's work!"
