How to Build Chicken Coops. This revised and expanded edition of *How to Build Chicken Coops*—one of the best-selling titles in Voyageur's successful series licensed by Future Farmers of America (FFA)—provides complete and easy-to-follow instructions on building a coop, including 16 pages of new content. Voyageur's acclaimed FFA-licensed series has helped countless first-time animal owners confidently care for their new companions. *How to Build Chicken Coops* provides answers in a one-stop reference so chicken owners don't have to waste time searching online for advice. Whether readers are involved in the FFA, interested in starting an urban or suburban flock, or just curious about country living or urban farming, raising chickens is a great way to get started. And, when you build your own coop, you can make customizations to meet your specific needs and save money at the same time! Beautifully designed and authoritatively written, *How to Build Chicken Coops* is a trusted guide to new chicken keepers of all ages. Inside, readers will find more than just a collection of plans, but a compendium of the background and insider information for chicken owners. How much space will you need? What is dust bathing? How many nest boxes and windows will your coop need? How much will it cost? What steps do you need to take to keep your chickens safe from predators? Expanded and redesigned to appeal even more to middle and high school age enthusiasts, *How to Build Chicken Coops* takes the guesswork out of building a safe and comfortable home that's just right for your flock of chickens.
