The Last Days is a stunning political thriller from New York Times bestselling author, Joel C. Rosenberg

Osama bin Laden is dead. Saddam Hussein is buried. Baghdad lies in ruins.

Now the eyes of the world are on Jerusalem as Jon Bennett--a Wall Street strategist turned senior White House advisor--his beautiful CIA partner Erin McCoy and the U.S. Secretary of State arrive in the Middle East to meet with Palestinian leader Yasser Arafat.

On the table: a dramatic and potentially historic Arab-Israeli peace plan, of which Bennett is the chief architect. At the heart of the proposed treaty is the discovery of black gold deep underneath the Mediterranean--a vast and spectacular tract of oil and natural gas that could offer unprecedented riches for every Muslim, Christian, and Jew in Israel and Palestine.

With the international media closely tracking the story, the American message is as daring as it is direct: Both sides must put behind them centuries of bitter, violent hostilities to sign a peace treaty. Both sides must truly cooperate on drilling, pumping, refining, and shipping the newly found petroleum. Both sides must work together to develop a dynamic, new, integrated economy to take advantage of the stunning opportunity. Then--and only then--the United States will help underwrite the billions of dollars of venture capital needed to turn the dream into reality.

The eerily prophetic New York Times best seller that predicted the last days of Yasser Arafat and Israel's stunning withdrawal from Gaza . . .but was written before any of it happened.

Osama bin Laden is dead. Saddam's regime is buried. Baghdad lies in ruins. Now the eyes of the world are on Jon Bennett and Erin McCoy, two senior White House advisors, as they arrive in the Middle East to offer a historic Arab-Israeli peace plan and the American president's new vision of freedom and democracy.

But in the shadows lie men whose hearts are filled with evil--men for whom the prospects of peace go against everything they believe. And soon, one terrifying scheme after another begins to unfold:

>> An Iranian plot to send suicide bombers into the U.S.

>> A terrorist plot to assassinate the prime minister of Israel

>> A Jewish plot to blow up the Dome of the Rock As Jon and Erin face a battle for control of Jerusalem, a battle for control of the Holy Land, and an Iraqi plan to rebuild ancient Babylon, they can't help but wonder: Are such signs evidence they are living in the last days before the return of Christ? Joel C. Rosenberg is the "New York Times" best-selling author of "The Last Jihad, The Last Days, The Ezekiel Option," and "The Copper Scroll" with more than one million copies in print.
