Hungry for new knitting techniques? Try knitting brioche!

Knitting Brioche is the first and only knitting book devoted exclusively to brioche stitch, a knitting technique that creates a double-sided fabric. This complete guide will take you from your first brioche stitches to your first (or hundredth) project, and even to designing with brioche stitch, if you desire. Whether you're new to brioche knitting or experienced at "brioching," author Nancy Marchant provides the information and inspiration you need.

Inside Knitting Brioche, you'll find:

- >> Detailed instructions and step-by-step photos that will guide you through all of the techniques you'll need for brioche knitting.
 - >> A stitch dictionary including 60 beautiful stitch patterns with many multicolor options.
 - >> 25 patterns for garments and accessories, all made with brioche stitches, some combined with other design elements including cables, lace, intarsia and more!
- Grab your needles and yarn and take a bite out of brioche knitting.

Nancy Marchant first discovered the brioche stitch when she moved to the Netherlands in 1976. She became fascinated with brioche knitting and wrote about it in Vogue Knitting Magazine, as well as in a number of other knitting magazines. She maintains a Web site on the subject at www.briochestitch.com and teaches brioche knitting both locally and at large yarn shows.
