Ancillary Mercy

The record-breaking winner of the Hugo, Nebula, Arthur C. Clarke and British Science Fiction Association Awards for her debut novel, Ann Leckie lives in St Louis, Missouri, with her husband, children and cats. You can find her website at www.annleckie.com or chat to her on Twitter at @Ann_Leckie. If you don't know the Ancillary series by now, you probably should. Ann Leckie's sociopolitical space opera almost singlehandedly breathed new cool into the stereotype of spaceships trundling through far-off systems amid laser battles. ... [ANCILLARY MERCY] earns the credit it's received: As a capstone to a series that shook genre expectations, as our closing installment of an immersively realized world, and as the poignant story of a ship that learned to sing. * NPR *
