Part of Penguin's beautiful hardback Clothbound Classics series, designed by the award-winning Coralie Bickford-Smith, these delectable and collectible editions are bound in high-quality colourful, tactile cloth with foil stamped into the design. The story grew out of a map that led to imaginary treasure, devised during a holiday in Scotland by Stevenson and his nephew. The tale is told by an adventurous boy, Jim Hawkins, who gets hold of a treasure map and sets off with an adult crew in search of the buried treasure. Among the crew, however, is the treacherous Long John Silver who is determined to keep the treasure for himself. Stevenson's first full-length work of fiction brought him immediate fame and continues to captivate readers of all ages.

Climb aboard for the swashbuckling adventure of a lifetime. Treasure Island has enthralled (and caused slight seasickness) for decades. The names Long John Silver and Jim Hawkins are destined to remain pieces of folklore for as long as children want to read Robert Louis Stevenson's most famous book. With its dastardly plot and motley crew of rogues and villains, it seems unlikely that children will ever say no to this timeless classic. --Naomi Gesinger
Cambridge Literature is a series of literary texts edited for study by students aged 14-18 in English-speaking classrooms. It will include novels, poetry, short stories, essays, travel-writing and other non-fiction. The series will be extensive and open-ended and will provide school students with a range of edited texts taken from a wide geographical spread.
