Praise for THOU SHALL PROSPER

"Rabbi Daniel Lapin's wisdom has helped untold numbers of people, including me, grow in our business, family, and spiritual lives. In Thou Shall Prosper, Rabbi Lapin has done it again. This book tells it like it is in a helpful, honest, hopeful, informative way. He offers valid, useful information based on ancient wisdom and modern experience."

-Zig Ziglar, author and motivational teacher

"Is it practical to apply spiritual lessons to the hardheaded world of business? In this potentially life-changing book, Rabbi Daniel Lapin proves that it's impractical not to use those lessons-and to bring ancient, timeless wisdom to contemporary problems. This unique approach provides an organized, supremely useful view of the world, combining common sense and unexpected, even startling insight. No matter how successful or sophisticated you may be, this remarkable work will enrich your understanding of the important, exciting process of building wealth."

-Michael Medved, nationally syndicated radio host and author of Hollywood vs. America

"Rabbi Daniel Lapin is a light unto the nations. A risk-taking rabbi of immense wisdom, his books have already influenced countless Jews and non-Jews with the eternal truths of the Hebrew Bible. Now, in this highly insightful and controversial new book, Rabbi Lapin unearths the golden nuggets of Jewish business genius. By emphasizing the unique talents of the Jewish way of life, Rabbi Lapin demonstrates how Judaism's spiritual regimen can be translated into tangible material rewards, with the bottom line being directly affected. A thoroughly engaging, enriching, and thought-provoking book."

-Rabbi Shmuley Boteach, author of Kosher Sex and Judaism for Everyone

"Rabbi Lapin is an unorthodox Orthodox rabbi. He understands the Biblical nature of economic freedom as well as he understands the Bible: uniquely well. Prosperity must have a purpose and Rabbi Lapin explores the wellsprings of the Judeo-Christian heritage to elucidate those purposes. In so doing, he also illuminates the road to greater prosperity for all. I really enjoyed this book and I heartily recommend it to people of all faiths."

-The Honorable Jack Kemp

The ups and downs of the economy prove the principle that the more things change, the greater the need for ideas that never change. There's no better source for both practical and spiritual financial wisdom than the time-tested knowledge found in the ancient Jewish faith and culture. In Thou Shall Prosper: Ten Commandments for Making Money, Rabbi Daniel Lapin offers a practical approach to creating wealth based on the established principles of Jewish tradition. A renowned business consultant and biblical scholar, Rabbi Lapin uncovers a mother lode of wisdom and guidance in Jewish scripture and practice that will increase your potential for creating wealth, no matter what your faith or background may be.

Outlining ten fundamental "commandments" relating to business and money, Thou Shall Prosper explores the economic and philosophic vision of business that has been part of the Jewish culture for centuries. By blending contemporary business stories and his own business experiences with the wisdom of the Torah, Talmudic prescriptions, and even examples from the Zohar (the Jewish book of mysticism), Rabbi Lapin explains the essence

of each "commandment" and shows you how to use this knowledge to financially prosper. Commandments include: Believe in the Dignity and Morality of Business, Do Not Pursue Perfection, and Know Your Money. Rabbi Lapin helps you understand such concepts as "being in business for yourself"; avoiding the trappings of a "wage slave"; learning to become a leader; changing with the times; and much more. So that you can apply each principle to your life, Rabbi Lapin suggests engaging and accessible action steps to start you immediately on the path to prosperity.

The principles discussed in Thou Shall Prosper may stem from Jewish culture and religion, but the desire to create wealth is universal. Anyone can learn these principles, apply them, and prosper. In following these ten money-making commandments, not only will you improve your life, you will also discover how business is the best way to "do good" while doing well and how you are in business regardless of how you earn your living. Thou Shall Prosper will change your views of money as well as attitudes towards yourself, and help you identify the critical steps that make success possible.

RABBI DANIEL LAPIN is a nationally known speaker, advisor to President George W. Bush, and a syndicated radio talk-show host. Rabbi Lapin gives more than fifty speeches annually to leaders of corporations including Amway, Nordstrom, and Boeing. Rabbi Lapin founded Toward Tradition, an organization of Christians and Jews devoted to educating America about moral issues and the spiritual value of economic freedom.
