Born in Los Angeles, California on March 12, 1921, while America was struggling to overcome The Great Depression, Earl Nightingale's humble beginnings proved to be an ideal setting. In his prime, he earned the title of the "Dean of Personal Development", but there was once a time when hopefulness was not a part of his everyday reality. The country's most inspirational motivational speaker and author was inspired by his meager surroundings. At just 12 years old, Earl witnessed his father, Earl the 4th, walk out on his mother, Gladys "Honey" Nightingale and his two brothers. Millions of American citizens were already unemployed and, now, Honey and her three boys joined the ranks of the needy. To support them, she took a job working in a sewing factory at the Works Progress Administration (WPA).
