In this FBI Thriller Special Agent Dillon Savich teams up with new agent Lacey Sherlock in a case that leads them back to the murder of Sherlock's sister seven years ago-and puts both their lives on the line.

As the head of the FBI's Criminal Apprehension Unit, Dillon Savich has developed predictive analogue programs to aid in the capture of serial killers. Enter Lacey Sherlock, a very well-qualified new agent who seems bright and eager and on the up-and-up. But is she really?

When there's a vicious murder in Boston, she's off like a shot, lying to Savich. When Savich finds out what's going on, he realizes they'll all be in deep trouble, maybe even victims themselves, if he and Sherlock don't find out who murdered her sister seven years before...

Full of karate, pistol-whipping, and other malevolent mayhem, Catherine Coulter's *The Maze* could be described as a junior-varsity version of *Silence of the Lambs*. As in that novel, the heroine in *The Maze*, Lacey Sherlock, becomes an FBI agent to help unravel the mysteries of her own past. Seven years after her sister was brutally slain by a serial killer (the wonderfully creepy "String Killer"), Lacey is assigned to the FBI's Criminal Apprehension Unit (CAU). The CAU, headed by brawny bureau egghead Dillon Savich, uses computer modeling to catch the baddest guys around--it's like profiling, but with databases. Before you know it, Dillon and Lacey are tangling with the String Killer. Even when the scenarios are not terribly inventive--"Let's use Lacey as bait! What a great idea!"--Coulter makes sure that her bad guys are good and twisted. A touch of bloody-mindedness can cover up a multitude of sins, and on that score, *The Maze* satisfies. The Bookcassette[®] format is a special recording technique developed as a means of condensing the full, unabridged audio text of a book to record it on fewer tapes. In order to listen to these tapes, you will need a cassette player with balance control to adjust left/right speaker output. Special adaptors to allow these tapes to be played on any cassette player are available through the publisher or some US retail electronics stores.

Other Books

Remi Laurent FBI Suspense Thriller Bundle: *The Vengeance Code* (#4) and *The Deception Code* (#5). A bundle of books #4 (*THE VENGEANCE CODE*) and #5 (*THE DECEPTION CODE*) in Ava Strong's Remi Laurent FBI Suspense Thriller series! This bundle offers books four and five in one convenient file, with over 100,000 words of reading. FBI Special Agent Daniel Walker, 40, known for his ability to hunt killers, his street-smarts, and his disobedience, is singled out from the Behavioral Analysis Unit and assigned to the FBI's new Antiquities unit. The unit, formed to hunt down priceless relics in the global world of antiquities, has no idea how to enter the mind of a murderer. Remi Laurent, 34, brilliant history professor at Georgetown, is the world's leading expert in obscure historic artifacts. Shocked when the FBI asks for her help to find a killer, she finds herself reluctantly partnered with this rude American FBI agent. Special Agent Walker and Remi Laurent are an unlikely duo, with his ability to enter killers' minds and her unparalleled scholarship, the only thing they have in common, their determination to decode the clues and stop a killer. In *THE VENGEANCE CODE* (Book #4), when a man is found murdered and a priceless relic is missing, brilliant history professor Remi Laurent partners with the FBI on a wild cat-and-mouse chase across the Mid-East and Africa. All signs point to a killer obsessed with the

most sacred lost object of all time: the hidden Holy Ark. The location of the Ark has always been shrouded in secrecy, and considered by most to be a myth. But all the new evidence leaves Remi wondering: is it? Real or not, one thing is clear: this killer will stop at nothing until he gets what he wants. And Remi may just be the only person left who is smart enough to find him. In THE DECEPTION CODE (Book #5), a billionaire is murdered and an ancient Egyptian relic is missing, one rumored to be cursed—and to be a clue to the greatest lost tomb ever known. The FBI needs brilliant history professor Remi Laurent more than ever as the case sends them on a wild hunt across the globe. The lost Egyptian relic points to many ancient Egyptian clues, all thought to have been dead ends, and leaves Remi just hours to decode a puzzle that has baffled archeologists for centuries. What exactly is the killer after? Where does he think the clues will lead him? And can Remi outsmart him in time? An unputdownable crime thriller featuring an unlikely partnership between a jaded FBI agent and a brilliant historian, the REMI LAURENT series is a riveting mystery, grounded in history, and packed with suspense and revelations that will leave you continuously in shock, and flipping pages late into the night. Book #6—THE SEDUCTION CODE—is also available.
