---

What are the treasures in Benjamin's Box? Come along with Benjamin and see. Like all boys and girls, Benjamin is very, very curious. When Jesus comes to Jerusalem, Benjamin decides to follow him and find out who he really is. At first, Benjamin thinks Jesus is a teacher, then a king. At last, he learns the good news-news that every child (and grown-up!) will want to share. Can be used in conjunction with Resurrection Eggs<sup>®</sup> from Family Life!

Melody Carlson has written more than 200 books for teens, women, and children. Before publishing, Melody traveled around the world, volunteered in teen ministry, taught preschool, raised two sons, and worked briefly in interior design and later in international adoption. "I think real-life experiences inspire the best fiction," she says. Her wide variety of books seems to prove this theory.

Jack Stockman designs paper airplanes and snowmen. He has a whole collection of tin toys, yo-yos, and kites, but only one wife, one daughter, one son, and one daughter-in-law. He loves them all.

#### Other Books

Benjamin Disraeli. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
