Sir Alex announced his retirement as manager of Manchester United after 27 years in the role. He has gone out in a blaze of glory, with United winning the Premier League for the 13th time, and he is widely considered to be the greatest manager in the history of British football.

Over the last quarter of a century there have been seismic changes at Manchester United. The only constant element has been the quality of the manager's league-winning squad and United's run of success, which included winning the Champions League for a second time in 2008. Sir Alex created a purposeful, but welcoming, and much envied culture at the club which has lasted the test of time.

Sir Alex saw Manchester United change from a conventional football club to what is now a major business enterprise, and he never failed to move with the times. It was directly due to his vision, energy and ability that he was able to build teams both on and off the pitch. He was a man-manager of phenomenal skill, and increasingly he had to deal with global stars. His relationship with Cristiano Ronaldo, for instance, was excellent and David Beckham has described Sir Alex as a father figure.

Over the past four years, Sir Alex has been reflecting on and jotting down the highlights of his extraordinary career and in his new book he will reveal his amazing story as it unfolded, from his very early days in the tough shipyard areas of Govan.

Raised in the tough Govan district of Glasgow, where his father was a shipyard worker, Alex Ferguson started his own working life as an apprentice toolmaker. He went on to play for Queen's Park and five other professional football clubs including the idols of his boyhood, Rangers. Needless to say he was known as a hard and awkward opponent on the field as well as off it. Intelligent and quick-witted, Alex Ferguson followed his father's lead as a deeply committed socialist. His book is really a piece of oral history, and his life is a conduit to a time when a working-class man of talent could, not by the magical alchemy of elite education or the stardust of celebrity, but by a lifetime of hard work and hard thinking, rise to the very top and, flaws aside, remain true to the best of the world he came from. -The Guardian

My Goodness, this is fascinating. -Evening Standard
Other Books

Rio Ferdinand #2sides. Rio Ferdinand has been at Manchester United for over 10 years and has enjoyed great success under the management of Sir Alex Ferguson. He witnessed first-hand the change in management and the demise of the club under David Moyes before he was unceremoniously sacked in the Spring of 2014. He will provide a unique insight into the major differences between Ferguson and Moyes, and give his view on what it takes to manage the biggest club in world football. Rio will speak out on the John Terry racism incident with his brother Anton back in 2012, his depression, what inspires him on and off the pitch and lots more.

“Rio Ferdinand has been at Manchester United for over 10 years and has enjoyed great success under the management of Sir Alex Ferguson.”
