Often one's spiritual life is separate from one's business dealings; after all, business is business. But God is Lord of all. Men's Manual, Volume 2 is the fruit of one man's struggles as he learned to apply the principles of Scripture to his business. As he sought God in every area and committed himself to obedience, God demonstrated His power over all aspects of life - even business. Inside this volume you will find what God has to say about false financial concepts, partnerships, the value of a good name, and more.

Other Books

Lonely at the Top, Men appear to enjoy many advantages in society-on average they make more money, have more power, and enjoy a greater degree of social freedom than women. But many men pay a high price for the pursuit of success and power. Taking family and friends for granted, men will often let relationships take a back seat to their professional ambitions, only to ultimately find themselves with few real friends they can rely on in hard times. As a result, they turn to affairs, alcohol, and other self-destructive behaviors. Sadly, millions of men suffer untreated depression. In this groundbreaking and provocative book, award-winning clinical psychologist Thomas Joiner makes an impassioned call for society to recognize the harmful effects that solitude can have on men. Drawing on original research done for the National Institute of Mental Health, he focuses on the particular situations that leave men rudderless. He offers advice on support systems that are most useful to men, and he offers prescriptive advice on how men can improve their lives.

“ . . . The nightly cut-off was dramatic: it was literally lights out , all lights out , pitch black. . . . as we shall see, this was unnecessary). on the first night , the man stayed up all night , walking around and talking in the absolute . . .”
