What does Christianity have to do with anything? What does the Christian faith teach about God, Jesus and the Holy Spirit? What do I need to know about angels, Satan and demons? What place should the Bible or a church have in my life? By exploring these and other core questions, bestselling author Paul E. Little leads you into a greater appreciation of a God who has done great things to bring you into a relationship with him through Jesus Christ. He presents ten bottom-line, non-negotiable truths of Christianity using humorous, anecdotal illustrations gathered from years of experience helping believers share their faith with not-yet Christians. Expanded and updated throughout by Paul's wife Marie, this contemporary edition is packed with illuminating answers to questions and misconceptions about the Christian faith, with study questions for each chapter.

Know What You Believe has helped countless new and longtime believers understand the basic truths of their Christian faith. The book clearly explains what the Bible teaches with regard to: the Holy Trinity, Christ's death and resurrection, the angelic and demonic realms, sin and salvation, and coming events.

Paul E. Little

and his wife, Marie, worked for twenty-five years with InterVarsity Christian Fellowship. Until his death in 1975, Little was also associate professor of evangelism at Trinity Evangelical Divinity School in Deerfield, Illinois. He was the author of several books and articles, including Know Why You Believe.

Other Books

The Road To Hell, Many people today are wanting to know, "Are we living in the end times?" What will happen before the antichrist comes into power? Will America be a key player in the end times? In this book, I start the first chapter with what I believe will soon be coming, the chip being implanted in humans. I realize the mark of the beast will not be given until the antichrist comes into power. Many believe it will be the chip. I discuss in chapter 2 why I believe it will not be the chip. Our currency as we know it today will give way to a one-world currency, and I discuss this in two chapters. The New World Order has been discussed for many years, and I want to understand where it started and where it stands now. The last two chapters deal with a real hell and a real heaven. Though we do not know everything about either of these, we know enough that we will make an eternal choice to spend forever in one or the other. How and what you do the rest of your life will determine your eternal destination. I genuinely believe this book will help you understand the end times and eternity. We all are on the road to hell, but know heaven is only one step away.
