Several years ago Susie began posting daily blessings on Facebook, and since then thousands have responded and forwarded the blessings along to others.

The blessings take only moments to read, but are packed with biblical promise and perspective. Along with a blessing, each day's spread also includes a related Scripture to point readers back to God's timeless truth.

Jesus Calling. Now a younger audience will spend time each day with the Lord as they grow in a deep personal faith. Encouragement and hope from a Savior who is closer than you can imagine and who will never leave you. This is a message that everyone needs to hear and embrace deep within the soul. Jesus Calling is a devotional that is read daily by more than 3.8 million people. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God, and from that experience Jesus Calling came to be. It is Sarah's fervent prayer that our Savior may bless every reader with His presence and His peace in ever deeper measure.
