INSTANT NEW YORK TIMES BESTSELLER

A new book from #1 New York Times bestselling author Jenny Lawson, destined to be a classic-part therapy, part best friend, part humor, part coloring book.

When Jenny Lawson is anxious, one of the things she does is to draw. Elaborate doodles, beautiful illustrations, often with captions that she posts online. At her signings, fans show up with printouts of these drawings for Jenny to autograph. And inevitably they ask her when will she publish a whole book of them. That moment has arrived.

You Are Here is something only Jenny could create. A combination of inspiration, therapy, coloring, humor, and advice, this book is filled with Jenny's amazingly intricate illustrations, all on perforated pages that can be easily torn out, hung up, and shared. Drawing on the tenets of art therapy-which you can do while hiding in the pillow fort under your bed-You Are Here is ready to be made entirely your own.

Some of the material is dark, some is light; some is silly and profane and irreverent. Gathered together, this is life, happening right now, all around, in its messy glory, as only Jenny Lawson could show us.

JENNY LAWSON, *The Bloggess*, is an award-winning humor writer known for her great candor in sharing her struggle with depression and mental illness. Her two memoirs, *Let's Pretend This Never Happened* and *Furiously Happy*, were #1 New York Times bestsellers.

According to Fredrik, even if you don't consider yourself a salesperson, you've been in sales your whole life because every day you are selling your most important asset: yourself. Whenever you influence, persuade or convince someone to give you something in exchange for what you've got-whether it's a luxury home, a great idea at work, or your profile on Match.com-you are selling.
