AWAKEN TO THE OLD WAYS

The legacy of Italian Witchcraft, handed down for generations, is now yours. Author Raven Grimassi reclaims the Pagan spirituality of southern Europe and traces its roots from the pre-Christian era to the fourteenth-century Holy Strega and the modern Legend of Aradia. Italian Witchcraft imparts knowledge once known only to secret initiates and gives you a solid introduction to Strega traditions. You will learn how to:

- cast and break spells
- create a Spirit Flame
- invoke the power of a Watcher
- cast shadows
- make Stregherian magickal tools
- perform beautiful Aridian marriage, birth, and death rites
- make offerings to Diana and the Full Moon
- cleanse and repair the aura
- tap into lunar energy by Drawing Down the Moon

If you're an aspiring Witch or Magician, Italian Witchcraft offers you a complete magickal and folkloric tradition. If you're an experienced practitioner, you can use the not-widely-known magick in Italian Witchcraft to enhance your rituals. The Ways of the Strega had a profound influence upon the works of Aleister Crowley and Gerald Gardner -- they will influence you, too.

Come, be part of an ancient tradition.

Lilith: The Power of the Woman's Spirit in the Age of Aquarius. Embrace the darkness for there you will find the light. We all have been told in this patriarchal system that to look for salvation is to look upward and outward to a god or gods to worship. We are not here to worship, but to look inside ourselves and embrace who we are and grow to our full potential. Inanna is the archetypical Goddess of love and war. Her descent into the Underworld is a reflection of our journey of going inward to face our true nature. When we fight this, we then are at war with nature. Lilith is Inanna's handmaiden as we ourselves can also become partners with Inanna. Realizing who we are we then embrace the balance with the female archetype with the male archetype which will bring us wholeness as women become stronger and men and women come to love themselves. This new perspective is what is taken place as we enter into the Age of Aquarius.
