Discover the precious present and find yourself!

A simple story, engagingly told, *The Precious Present* does more than capture the heart; it is a valuable gift for anyone seeking a deeper level of fulfillment and personal happiness.

Telling a story of vital significance in today's fast-paced, competitive environment, *The Precious Present* will help you discover the joy in life we all seek--whether we go to Wall Street or around the world to find it.

Just as Spencer Johnson's bestseller *The One Minute Manager* helped rehumanize the workplace around the world, *The Precious Present* helps each reader rediscover his or her own humanity. This beautiful tale demonstrates the delicate art of balancing your spiritual and material needs, and shows how this goal can be maddeningly elusive--and gloriously attainable.

"The precious present has nothing to do with wishing. The richness of the precious present comes from its own source. The precious present is not something that someone gives you. It is something that you give to yourself." The parable of *The Precious Present* is a quiet one to muse upon and sit with, and finally to take into your heart. Spencer Johnson, coauthor of the bestselling business classic *The One Minute Manager*, has created a simple path for the reader to follow in the search for peace and clarity. While *The Precious Present* may read like a children's book for adults, its slow pace requires the mind to quiet down so that it can really register the meaning of Johnson's words. "The Present Is Simply Who I Am Just The Way I Am... Right Now. And It Is Precious." We may be familiar with this philosophy in theory, but the experience of reading *The Precious Present* is truly synchronous with its message. --Jodie Buller
