With GURPS, you can be anyone you want - an elf hero fighting for the forces of good, a shadowy femme fatale on a deep-cover mission, a futuristic swashbuckler carving up foes with a force sword in his hand and a beautiful woman by his side . . . or literally anything else! GURPS has been the premiere universal roleplaying game for almost two decades. The new Fourth Edition makes it even better! GURPS Basic Set: Campaigns combines information from the Third Edition GURPS Basic Set and GURPS Compendium II - plus our new core setting, with infinite possibilities for timeline-hopping adventure! (You don't have to play in the core setting - there isn't some game-altering metaplot - but it's there if you want it.)
