While millions of people know Chuck Norris is a movie and television star, he is also a sincere Christian--a man whose faith plays a role in everything he does and who gives full credit to God for helping him overcome obstacles such as poverty, an alcoholic father, and a broken marriage. 100,000 first printing.

Ken Abraham is a New York Times best-selling author known around the world for his collaborations with high-profile public figures. His recent books include *God in My Corner* with George Foreman and *Let's Roll!* with Lisa Beamer, widow of United Flight 93 hero Todd Beamer. Fans of Chuck Norris may see him as an action hero in the John Wayne mold, but his autobiography presents a different image of the "Walker, Texas Ranger" star. Norris describes himself as a shy youth who finally blossomed while studying martial arts as a soldier in South Korea. His self-deprecating humor shows through anecdotes about karate defeats, white-knuckled speaking engagements, and his failure to become a Los Angeles policeman, which led to his fame as a karate champion. His life philosophies reveal relentless optimism, usually tempered with pragmatism. Norris's son, Michael, reads with an appropriately upbeat tone, actually sounding a little awkward in places, echoing his father's early shyness. J.A.S.
