Heaven by Randy Alcorn is a fascinating, easy-to-read study that will help every believer in Jesus Christ as Savior and Lord find an anchor for present faithfulness, celebrate the loving provisions God has made for His children, and convey to others a love for God and His home. A Leader Guide in the back of the Member Book. (6 sessions).

Have you ever wondered . . .

What is Heaven really going to be like?

What will we look like?

What will we do every day?

Won't Heaven get boring after a while?

We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Dr. Randy Alcorn has the answers.

In the most comprehensive and definitive book on Heaven to date, Randy invites you to picture Heaven the way Scripture describes it—a bright, vibrant, and physical New Earth, free from sin, suffering, and death, and brimming with Christ's presence, wondrous natural beauty, and the richness of human culture as God intended it.

God has put eternity in our hearts. Now, Randy Alcorn brings eternity to light in a way that will surprise you, spark your imagination, and change how you live today.

If you've always thought of Heaven as a realm of disembodied spirits, clouds, and eternal harp strumming, you're in for a wonderful surprise.

This is a book about real people with real bodies enjoying close relationships with God and each other, eating, drinking, working, playing, traveling, worshiping, and discovering on a New Earth. Earth as God created it. Earth as he intended it to be.

And the next time you hear someone say, "We can't begin to imagine what Heaven will be like," you will be able to tell them, "I can."

The next time you hear someone say, "We can't begin to imagine what Heaven will be like," tell them, "I can."

Heaven, What if heaven is more real, physical, exciting, and compelling than anything we have ever heard? And what difference would it make? Myk Habets takes readers on a journey of discovery into what God has in store for those who love him. Forget playing harps on fluffy clouds. The reality of what God has in store for us will change the way you live, work, and play. Habets answers a series of questions about heaven that are asked by children and addresses things we all want to know but are often too afraid to ask. Written in easy-to-read language and incorporating insights from some of the best Christian novelists, Habets explains the meaning of a "Christian imagination" and how it can be put to work in creating a vision of the future that results in a life characterized by faith, hope, and assurance. This book appeals to all who want to know what the Bible says about life after death, and finds a way to make it understandable to others. It may even make you laugh

out loud along the way.
