This book is HUGE! 8.5 X 11 Binding as big as a phone book containing 2 complete books, major articles, and a memorial pictorial of the man who for nearly two decades was the author of Temple at the Center of Time, Cydonia: The Secret Chronicles of Mars, and numerous other works, publishing original and groundbreaking research on his renowned Watchers Website. Best-selling authors and syndicated media often cited his findings. This included the PAX Television program Encounters: What is Really on Mars, Coast to Coast AM, Strange Universe, as well as magazines and books counting the bestselling 1996 UFOs and Genesis 6-themed book Alien Encounters by popular Christian researchers Dr. Chuck Missler and Dr. Mark Eastman. Now, for the first time, both of David Flynn's best-selling books plus his most highly praised and cited articles and a memorial pictorial are published in a single large volume in his memory to preserve for posterity the lasting discoveries of the young discoverer and Christian researcher whose life ended far too soon. In The David Flynn Collection you will discover: The lost pristine knowledge (prisca sapientia) of ancient civilizations. How the Temple of Jerusalem is connected in time and distance to history. Secrets of Newton in space, time, gravity, light and invented mathematics. How though Newton didn't know it, the key to prophecy was right in front of him. The great Cosmic Clock embodied in the Ouroboros, and the secret of the serpentine symbol The "gods" who ruled the planets in the ages before Adam and their return as "aliens" The distinctly Martian influence on human civilization from earliest times to the present The meaning behind the esoteric tenet "As Above, So Below" The Great Work of the Mystery Schools from its point of origin to the implementation by the modern alchemists of NASA. Before his passing, David Flynn was the author of several cutting-edge, one-of-a-kind research books in his field including Temple at the Center of Time and Cydonia. "Only David Flynn deciphered Isaac Newton's greatest paradox: None other than the unified field theory of Bible prophecy." --Sharon Gilbert, PID Radio

"The size and scope of David Flynn's Teohuanaco discovery simply surpasses comprehension. Mammoth traces of intelligence carved in stone and covering hundreds of square miles. For those who understand what they are seeing here for the first time, this could indeed be the strongest evidence ever found of prehistoric engineering by those who were known and feared throughout the ancient world as gods. --Thomas Horn, CEO Raiders News Network

"David Flynn was a Gifted Researcher and Genius who was the most amazing man I ever met--He was a Time Sensitive Repository of God's Revealed and Sealed knowledge whose contemporary understanding spanned the dateless past, as well as unlocking the Mysteries of the Cosmos in a manner no one else on Earth has ever embraced. God called home his "Gifted one" but those of us who loved him and were aware of his importance in History are enriched in a way in which the Full meaning of his writings are yet to be understood as they yet play out before our eyes and lives" --Steve Quayle, author of Genesis 6 Giants: Master Builders of Prehistoric and Ancient Civilizations

Other Books

Errol Flynn, Though there have been myriad books on Errol Flynn - scores of biographies, film studies, analyses, etc. - there has never been one that unfurls his dashing life day-by-day, predominantly through photos, letters, news clippings, and documents. This book does so: from Flynn's birth in Hobart, Australia in 1909 through to his death in Vancouver, Canada in 1959, with over 1,000 images (many rarely or never before published) culled from Florczak's personal collection of over 11,000. The book is the result of the author's travels around the world to photograph locations key to Flynn's life, and with text gathered from years of research in the Warner Bros. Archives, the USC Cinematic Arts Library, and the Margaret Herrick Library. Among other popular day-by-day pictorial biographies are those of Frank Sinatra, Marilyn Monroe, Judy Garland, Ernest Hemingway, Elvis Presley, The Beatles, and Eric Clapton. Flynn's colorful life was lived out on the world stage and a better candidate for a book of this style would be hard to find.

???. Conrad, who wasn't overly taken with Flynn, offers an impartial view of the man while the two worked on Flynn's autobiography, *My Wicked, Wicked Ways*, in 1958 and 1959 Eddington Flynn Haymes, Nora. *Errol and Me*, as told to Cy Rice."
