Spend some time with Little Critter's little sister as she imagines all the things she can be when she grows up in Mercer Mayer's classic, funny, and heartwarming book. Whether she's dreaming of becoming a lion tamer, a famous doctor, or a brave pilot, both parents and children alike will relate to this beloved story. A perfect way to teach children to reach for the sky!

MERCER MAYER began writing and illustrating children's books in 1966, and since then, he has published over 300 titles. Readers can open almost any of his award-winning books and out may pop dragons, cuddly monsters, wonderful creatures, and endearing critters. Drawing from his own childhood adventures for inspiration, Mayer created one of children's books most cherished characters, Little Critter. He currently lives in Connecticut.

Other Books

The Pluralist Game. The "pluralist game," the way in which we attempt to resolve the problems arising out of our pluralism through the political and judicial processes, necessarily engages the citizens of our society. This book brings together 14 essays from a leading Catholic political theorist to address the central issue of American theological, political, and social thought: the relationship between religion, morals, law, and public policy in a pluralistic liberal society.
