Romans speaks to Christians today just as powerfully as it did in the first century. It addresses moral, intellectual, social, and spiritual issues, but most importantly, it lays the theological foundation for the Christian faith: how God has made it possible through Christ for sinners to be made right before Him.

Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical. Taking into account the cultural, theological, and Old Testament contexts of each passage, MacArthur tackles interpretive challenges and fairly evaluates differing views, giving the reader confidence in his conclusions.

The MacArthur New Testament Commentary series comes from the experience, wisdom, and insight of one of the most trusted ministry leaders and Bible scholars of our day. Each volume was written to be as comprehensive and accurate as possible, dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical. This commentary will help to give a better, fuller, richer understanding of God's Word, while challenging the reader to a vibrant personal spiritual walk.

A great resource for pastors, teachers, leaders, students, or anyone desiring to dig deeper into Scripture

Unleashing God's Truth one verse at a time

"Clear, reasonable, understandable, devout—all things and more can be honestly said about this generation's greatest single-author pastoral commentary set. The MacArthur New Testament Commentary series is a help to Christians and preachers. Forged in the study, fired in the pulpit, these comments on the whole New Testament are a gift from one who loves Christ, given to Christ's bride, the church."

-Mark Denver, pastor, Capitol Hill Baptist Church, Washington, D.C.

"Dr. MacArthur's love for the Scripture and his many years of diligent study have resulted in a resource that is a great gift to the Body of Christ. I have found this tool to be a great help as I study the Word and teach it to women. I often refer to this set of commentaries to enhance my understanding of the text and to shed light on difficult passages and questions."

-Nancy Leigh DeMoss, author, Revive our Hearts radio teacher

"John MacArthur has provided a compelling example of pastoral ministry based on the Word of God. Now the fruit of that ministry is available to us all: careful attention to the text of Scripture and faithful theological exposition, all in the service of the church of Jesus Christ. Both pastor and layperson will benefit for years to come from this unique commentary series."

-C.J. Mahaney, president of Sovereign Grace Ministries

"The MacArthur New Testament Commentary is nothing less than a library of faithful

exegesis and exposition. This project is unparalleled in our times, and John MacArthur has produced a masterful commentary series that demands attention and deserves a place in every preacher's library."

-R. Albert Mohler, Jr., PhD, president of The Southern Baptist Theological Seminary, Louisville, KY

Romans 1-8

Romans speaks to Christians today just as powerfully as it spoke to believers of the first century. It speaks to moral, intellectual, social, and spiritual issues. But most important of all, it lays the theological foundation for the Christian faith--that holy God has made it possible through Christ for sinners to be made right before Him.
