NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of the MyLab(TM) and Mastering(TM) platforms exist for each title, and registrations are not transferable. To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for the MyLab or Mastering platform may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

This package includes MyLab Counseling.

A classic textbook for aspiring counselors, now updated and expanded to improve its usefulness and relevance for practicing counselors.

Since its first publication in 1988, *Assessment Procedures for Counselors and Helping Professionals* has become a classic among assessment textbooks designed specifically for aspiring counselors. Now in its 9th Edition, the text includes extensive changes to content and updating throughout, while maintaining its popular, easy-to-read format and continuing emphasis on assessment information that is most useful and relevant for school counselors, marriage and family therapists, mental health counselors, and other helping professionals. Throughout the text, readers get invaluable information and examples about widely used assessment instruments in order to become familiar with these well-known tests.

Personalize learning with MyLab Counseling

By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. MyLab Counseling organizes all assignments around essential learning outcomes and the CACREP standards - enabling easy course alignment and reporting.

Dr. Carl J. Sheperis serves as Dean of the College of Education and Human Development at Texas A&M University-San Antonio. Dr. Sheperis has served as President and CEO of the National Board for Certified Counselors (NBCC) and Affiliates. He is a past president of the Association for Assessment and Research in Counseling and Associate Editor for Quantitative Research for the *Journal of Counseling and Development*. He has worked with the American Counseling Association as the Chair of the Research & Knowledge

Committee, and has served as the Editor of the Journal of Counseling Research and Practice. In addition to this textbook, Dr. Sheperis is an author of Research in Counseling: Quantitative, Qualitative, and Mixed Methods; Clinical Mental Health Counseling: Fundamentals of Applied Practice; Diagnosing and Treating Children and Adolescents; and The Peace Train. He is also published in various textbooks, academic journals, and reference volumes.

Dr. Robert J. Drummond passed away on March 14, 2005. He was a retired professor and counselor educator at the University of North Florida for 20 years. He was foremost in the field of assessment, and he specialized in educational and psychological testing, career development, models for evaluation, educational research, and personality theory and measurement. Dr. Drummond wrote the first edition of this text in 1988. Now in its ninth edition, the book remains a popular assessment textbook in counseling.

Dr. Karyn Dayle Jones is an associate professor in counselor education at the University of Central Florida. She has over 20 years of experience in the counseling profession and has been a counselor educator for over 15 years. Jones is coauthor of Introduction to the Profession of Counseling, has authored or coauthored several book chapters and refereed publications, and has made numerous professional presentations. Her primary areas of research are assessment and diagnosis. She is the past president of the Association for Humanistic Counseling, a division of the American Counseling Association. Jones is a Florida Licensed Mental Health Counselor and a National Certified Counselor, and she has worked as a counselor in mental health agencies, schools, and private practice.

Other Books

Counseling and Educational Research. The author focuses on the interpretation and evaluation of scholarly and academic research findings in the field of counselling. He takes the reader through the process of developing research projects based on real case studies.
