Mickle, once a common street urchin, now rules Westmark as the wise Queen Augusta. Yet the kingdom is strangely restless. Ghosts of the past lurk everywhere, whispering of future war. Justin and his revolutionaries denounce the monarchy--even the benevolent Mickle. Cabbarus, banished from Westmark, plots to seize the throne and install a Reign of Terror. Theo, the famed Colonel Kestrel, remembers it all--the bloody battles, and the fight for his own soul. The past has returned to haunt the present, and Theo, once again, must join in the struggle. Who will at last command the fate of Westmark?

#### Other Books

Young Adult Literature, Young Adult Literature: Exploration, Evaluation, and Appreciation is an exciting new book developed to identify for teachers how to better connect adolescents with good literature. Comprehensive enough to ensure that teachers understand today's adolescents and the literature that will engage them, yet slim enough to ensure readers have the opportunity to read the books themselves, this book will help teachers provide a rich educational experience for adolescents throughout the middle and secondary curriculum while nourishing their love of reading. This book addresses adolescent culture and the types of literature that engage adolescents, including horror, graphic novels, comic books, and many forms of media, more thoroughly and insightfully than any other on the market. Middle and Secondary Inservice Teachers and Reading Specialists.
