Abbie Wu is even more FRAZZLED as she embarks on an outdoor school trip and encounters new hazards of middle school.

This is the third book in a New York Times bestselling graphic novel series that NPR's All Things Considered called "hilarious"!

Abbie Wu thinks that she's finally getting the hang of this middle school thing. That's until her teacher announces that they'll be going to...OUTDOOR SCHOOL!

While Abbie's usual clique seems to adjust fine at camp, she doesn't quite fit in-with anyone! If that isn't bad enough, her camp counselors are totally evil and she can't figure out what is up with the golden pig.

Abbie feels all alone. Will she learn how to fit in yet stay true to herself? Or will she finally reach her breaking point?

From author and professional doodler Booki Vivat, this popular series follows Abbie Wu, your favorite hilariously neurotic middle school girl, as she tries to come up with solutions to funny real-life middle school challenges.

Akin to Smile by Raina Telgemeier, Frazzled: Minor Incidents and Absolute Uncertainties is heavily illustrated, embarrassingly honest, and sure to appeal to anyone hoping to figuring out how to survive middle school.

Abbie Wu thinks she's finally figured out how to survive the MIDDLES.

But when news comes out about a week-long OUTDOOR SCHOOL TRIP, she doesn't know what to expect!

Everything is different at Outdoor School, and Abbie has no idea where she fits in. What she does know is that her older, cooler brother, Peter, is chaperoning, her cabinmates totally ignore her, and, worst of all, her best friends are all off doing their own things!

Once again, Abbie Wu is feeling completely frazzled, absolutely uncertain, and totally lost. Now she has to find a way to make it at Outdoor School but still remain true to herself.
