Memento Mori

The thrillers of Douglas Preston and Lincoln Child "stand head and shoulders above their rivals" (Publishers Weekly). Preston and Child's *Relic* and *The Cabinet of Curiosities* were chosen by readers in a National Public Radio poll as being among the one hundred greatest thrillers ever written, and *Relic* was made into a number-one box office hit movie. They are coauthors of the famed Pendergast series and their recent novels include *Fever Dream*, *Cold Vengeance*, *Two Graves*, and *Gideon's Corpse*. In addition to his novels, Preston writes about archaeology for the *New Yorker* and *Smithsonian* magazines. Lincoln Child is a former book editor who has published five novels of his own, including the huge bestseller *Deep Storm*.

Readers can sign up for The Pendergast File, a monthly "strangely entertaining note" from the authors, at their website, www.PrestonChild.com. The authors welcome visitors to their alarmingly active Facebook page, where they post regularly. Preston, Child, and Brick have done it again with a super-scary, spine-tingling nail-biter. Superbly cool FBI Agent Aloysius Pendergast must once again outwit his evil-genius brother, Diogenes, but that won't be easy. Pendergast is in prison for a series of murders he didn't commit. The third book in the trilogy (*BRIMSTONE*, *DANCE OF DEATH*) features an Egyptian tomb, an ancient curse, and enough intense, high-speed action to send blood pressure skyrocketing. Scott Brick's voice is as cool as the Tomb of Senef and as chilling as the demons that plague the psychotic Diogenes. Brick handles gore, insanity, torture, and shocking plot twists with stunning sangfroid. Listeners will want to hear the earlier books before undertaking this absolutely satisfying conclusion. S.J.H.
