With Rao's Recipes from the Neighborhood, Frank Pellegrino-of New York's celebrated East Harlem restaurant Rao's-returns to what he knows best: authentic Italian food. With over one hundred recipes and beautifully illustrated with both full-color and vintage black & white photographs, Rao's Cooks For The Neighborhood is Pellegrino's tribute to the place he grew up and the women who taught him how to cook. From Ida's baked chicken to Rose Milano's Spaghetti Frittata, everything a home cook needs to reproduce their favorite home-style meals is in this book.

This classic cookbook is filled with newly discovered recipes of generations past, as well as holiday cooking, kitchen secrets, and some of the favorite menu items from Rao's. It's a love story devoted to Italian family cooking and its heritage. Every single dish is easy to prepare and satisfying to eat. Rao's Recipes from the Neighborhood will be eagerly awaited by readers who loved The Rao's Cookbook, but will also attract new fans who have come to know Rao's through the successful national brand of sauces sold throughout the U.S.

The titular neighborhood of Frank Pellegrino's Rao's: Recipes from the Neighborhood is Manhattan's East Harlem, home to an Italian immigrant population. The area also boasts Rao's, Pellegrino's Southern Italian restaurant that was discovered by local "worthies" and is now New York City's toughest reservation. The book, a follow-up to the bestselling Rao's Cookbook, offers 125 recipes for the kind of fare offered Rao's, and by Pellegrino's extended family and neighbors--dishes like Pizza Rustica, Penne Rigate with Cauliflower, Veal Milanese, and My Mother's Stuffed Calamari. This deeply satisfying, utterly unpretentious cooking is easy to do, but must be handled with care to avoid debasing an already hybrid cuisine. The book scores in this, offering exemplary versions of Old-to-New World dishes, and is neighborhood-authentic down to the use of American convenience products like garlic powder. Readers will also relish the wide recipe range, which includes sweets such as Simple Ricotta Cheesecake and Noni's Chocolate Ravioli, as well as Pellegrino's headnotes, which reveal who made what when. (Of the contributor of Wedding Soup, for example, he says, "his grandmother and my grandmother ... both came to America in 1911 in the same ship.") This flavorsome background, plus homey photos and other memorabilia like Our Kitchen Table make this modest book particularly welcome. -- Arthur Boehm
