Your Escape Into A World of Dark Mysteries & Spicy Romance.

Ryan Steel is known in Snow Creek as the handsomest Steel brother with the most jovial personality. Now that his busy grape harvest and winemaking season is over, he's happy to spend time with his family and help his brothers, Talon and Jonah, celebrate their impending nuptials. The Steels are taking a well-deserved break from the conspiracy surrounding them...until an unlikely woman and a long-buried secret shatter Ryan's world.

Detective Ruby Lee has been on her own since she was fifteen. When her past collides with the Steel family's mysteries, she's determined to find the truth. She has her own issues, and she's not looking for a relationship, despite her all-consuming attraction to Ryan Steel. The gorgeous dark-haired man gets under her skin anyway...and he needs her.

Together they explore both of their histories, but those pasts could cost them a future. #1 New York Times, #1 USA Today, and #1 Wall Street Journal Bestselling author Helen Hardt's passion for the written word began with the books her mother read to her at bedtime. She wrote her first story at age six and hasn't stopped since. In addition to being an award winning author of contemporary and historical romance and erotica, she's a mother, a black belt in Taekwondo, a grammar geek, an appreciator of fine red wine, and a lover of Ben and Jerry's ice cream. She writes from her home in Colorado, where she lives with her family. Helen loves to hear from readers. How Hardt weaves the past with the present, while keeping the reader guessing about the secrets the brothers barricade from others, is flawless."--Heroes & Heartbreakers

Made my heart stop in my chest. Helen has given us such a heartbreakingly beautiful series.--Bookalicious Babes Blog
