For the first time, the hidden world of American communism can be examined with the help of documents from the recently opened archives of the former Soviet Union. An engrossing narrative places the documents in their historical context and explains key figures, organizations, and events. Illustrations.

Drawing on recently declassified documents from the former Soviet Union, this book argues that the American Communist Party was involved in espionage and conspiracy. Copyright 1996 Reed Business Information, Inc.

Living in Freedom, You are not alone. Not a single person on this planet is spared heartache, sorrow, pain, and loss. Dr. Tina herself knows tragedy, but she also knows Jesus and the hope, healing, and freedom only He can provide. Jesus, the Light of the world, shined into Tina's darkness, taught her about Himself, and gave her insights that resulted in biblical strategies that encourage women to draw close to Jesus and experience His healing touch. Living in Freedom will help you understand how to process pain and, through the first-person testimonies of various women, inspire you with stories about overcoming woundedness and hopelessness. Living in Freedom can help husbands learn to love their wives better. The book also offers pastors helpful insight for the women they counsel. Dr. Tina speaks from her experience as a survivor and a counselor as well as from her professional training. This powerful combination of insight and knowledge equips the hurting reader—or the friend, mother, or sister of one—to walk through her pain with Christ by her side. Once freed from those shackles of the past, readers will be able to point other hurting women to the only hope we have in this fallen world: Jesus.

“A bruised reed he will not break, and a dimly burning wick he will not quench; he will faithfully bring forth justice. ... not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed.”
