---

Straight from the library at Hogwarts School of Witchcraft and Wizardry, a book of magical creatures that no Harry Potter fan should be without! A copy of FANTASTIC BEASTS & WHERE TO FIND THEM resides in almost every wizarding household in the country. Now Muggles too have the chance to discover where the Quintaped lives, what the Puffskein eats, and why it is best not to leave milk out for a Knarl. Proceeds from the sale of this book will go to Comic Relief, which means that the dollars and Galleons you exchange for it will do magic beyond the powers of any wizard. If you feel that this is insufficient reason to part with your money, I can only hope that passing wizards feel more charitable if they see you being attacked by a Manticore.

Newt Scamander was awarded the Order of Merlin, Second Class, in 1979 in recognition of his services to the study of magical beasts, Magizoology. Now retired, he lives in Dorset with his wife, Porpentina, and their pet Kneazles: Hoppy, Milly, and Mauler. Reviewed with J. K. Rowling's Quidditch through the Ages.

Gr. 4-7. Because this is a "Harry Potterless" year, kids in need of a fix may find it in these two volumes. The conceit is that these are Harry's schoolbooks (Fantastic Beasts, by Newt Scamander; Quidditch, by Kennilworthy Whisp), with margin notes by Harry and pal Ron Weasley. The concept breaks down in the introductions: Professor Dumbledore explains that the books are being offered to muggles (because the proceeds of the books are going to British charity Comic Relief, a disclosure that will raise the eyebrows of any reader who understands the importance of secrecy in the wizard world. Nevertheless, a lot of effort has gone into making these seem like real textbooks. The jackets look torn and faded, the print is (annoyingly) small, and the information is well detailed. Illustrations are in short supply, and not every fan will want to know this much about Quidditch and imaginary beasts, especially when the text is so hard to read. Buy several copies (the money really does go to charity), but expect a few disappointed readers. REVWR
