From the award-winning team behind ALL-STAR SUPERMAN!

Grant Morrison and Frank Quitely, the creative team of ALL-STAR SUPERMAN, reunite to tell the adventures of the all-new Batman and Robin.

The Dark Knight has fallen, sacrificing himself in the Final Crisis to defeat the ultimate evil. Tim Drake has laid down the mantle of Robin to search the world for a sign that his mentor can be brought back from oblivion.

Now there's a new Dynamic Duo in town.

Dick Grayson, the original Robin, has taken up the cape and cowl of his former partner, and Damian Wayne, the assassin-raised son of Bruce Wayne, has become a deadly new Robin - ready to fight crime by any means necessary. Together, this masked Odd Couple must stop a rising tide of villainy whose savagery and brutality are unlike anything Gotham City has ever seen.

They must also overcome a lethal pair of rival vigilantes with ties to their own tragic pasts - and stay away from each other's throats long enough to succeed.

This volume collects Batman & Robin #1-6.

Grant Morrison has been working with DC Comics for more than twenty years, beginning with his legendary runs on the revolutionary titles ANIMAL MAN and DOOM PATROL. Since then he has written numerous best-sellers - including JLA, BATMAN and New X-Men - as well as the critically acclaimed creator-owned series THE INVISIBLES, SEAGUY, THE FILTH, WE3 and JOE THE BARBARIAN. Morrison has also expanded the borders of the DC Universe in the award-winning pages of SEVEN SOLDIERS, ALL-STAR SUPERMAN, FINAL CRISIS and BATMAN, INC., and he is currently reinventing the Man of Steel in the all-new ACTION COMICS.

In his secret identity, Morrison is a "counterculture" spokesperson, a musician, an award-winning playwright and a chaos magician. He is also the author of the New York Times best-seller Supergods, a groundbreaking psycho-historic mapping of the superhero as a cultural organism. He divides his time between his homes in Los Angeles and Scotland.

Frank Quitely was born in Glasgow in 1968. Since 1988 he's drawn The Greens (self-published), Blackheart, Missionary Man, Shimura, Inaba, ten shorts for Paradox Press, six shorts for Vertigo, FLEX MENTALLO, 20/20 VISIONS, BATMAN: THE SCOTTISH CONNECTION, THE KINGDOM: OFFSPRING, JLA: EARTH 2, THE INVISIBLES, TRANSMETROPOLITAN, THE AUTHORITY, Captain America, New X-Men, THE SANDMAN: ENDLESS NIGHTS, WE3, ALL-STAR SUPERMAN and BATMAN AND ROBIN. He has also created covers for Negative Burn, Judge Dredd Magazine, Classic 2000 AD, JONAH HEX, BOOKS OF MAGICK: LIFE DURING WARTIME, BITE CLUB, AMERICAN VIRGIN and ALL-STAR BATMAN. He lives in Glasgow with his wife and three children. He used to design his own hats and clothing. Currently his favorite hobby is cooking. Following Bruce Wayne's reported demise, this Grand Guignol miniseries shows the competition to fill his role. Dick

Grayson, the original Robin, has established a separate crime-fighting identity as Nightwing, but now has donned the iconic cape and mask of Batman. Partnered with bratty, impatient 10-year-old Damian (son of the original Wayne), he wants to modernize Batman's equipment but maintain his high principles. Dick's successor as Robin, Jason Todd, now calls himself the Red Hood and believes that the way to reduce crime is to kill criminals as dramatically as possible. Unfortunately, the Red Hood's violent tactics bring reprisals in the form of the Flamingo, an incredibly vicious South American assassin who enjoys skinning and eating the faces of beautiful young women. Morrison's scripts use this dark material effectively, and the art-first by Quitely, then by a team of three-is dazzling. In this largely self-contained episode, Morrison expertly retools DC's old superhero machinery. When combined with Quitely, it nearly reaches the heights of the duo's previous All-Star Superman.
