Discover fascinating, thorough, and enriching insights into the Bible with the best-selling and internationally acclaimed Zondervan Handbook to the Bible. From the history and design of the temple to God's relationship to the universe, you'll find it here. The land and cultures, battles and feast days, heroes and villains of Scripture all come alive through entries of meticulous clarity and detail, and breathtaking, full-color images. Previously published as Eerdmans Handbook to the Bible, this beautifully illustrated volume has been completely revised -- text, photographs, illustrations, maps, and charts -- and expanded by over a hundred pages.

Zondervan Handbook to the Bible, a thoroughly revised version of the classic Eerdmans Handbook to the Bible, is an authoritative, clearly written, chapter-by-chapter guide to every book in the Bible. Lavishly illustrated with colorful maps, charts, photographs, and illustrations, this volume is an excellent resource for students of Scripture who crave a concrete sense of what the Garden of Gethsemane looks like, for example, or a handy reference to the duties of priesthood in the First Temple. In-depth articles by leading biblical scholars will lead curious readers to the best resources for further study, and a "Rapid Fact-Finder" in the back of the book is helpful for quick reference. Previous editions of the Handbook have been praised by leading conservative Christian writers, including Charles W. Colson and F.F. Bruce, and this new edition will surely nourish the next generation of Christians who follow in their footsteps. David Alexander (BA, Oxford University) and Pat Alexander (BA, Bristol University) are the founders of Lion Publishing, where for 23 years David was director and chair and Pat was editorial director for adult, children's, and educational lists. Together they produced the original Lion Handbook to the Bible.
