An updated, bound-in but conveniently removable color wheel comes with this all-inclusive reference offering the latest word on the latest paint formulations available to serve artists working in any paint medium. Opening with an analysis of the painter's ideal palette and how it is organized with primary, secondary, and intermediate hues, the guide then explores value and intensity, complementary and analogous colors, the ways in which color can be used to evoke moods, express atmospheric conditions, and other essentials relating to color choice and usage. A range of master colorists' work is also included. Stephen Quiller, author of the best-sellers *Color Choices* and *Acrylic Painting Techniques*, has received international acclaim for his work and is now a Signature Member of the American Watercolor Society, National Watercolor Society, Rocky Mountain National Watermedia, and Society for Painters in Casein and Acrylic, among others. Stephen lives in Creede, Colorado.

Other Books

Ronke and the Painter's Daughter, *Ronke and the Painter's Daughter* is a graphic short story book that tells an inspiring story of a girl living with Autism Spectrum Disorder. The main character in this book is Ronke, an eight year old Nigerian girl who is excluded on the playground on her first day in school because she is different (she lives with autism). Her peers only discover their admiration for her after a knowledgeable, patient and, nurturing teacher encourages her unique talent in art. The story ends well with Ronke becoming a widely recognized artist who is invited to exhibit her artworks in New York City. (Moral of the story: Autism awareness, inclusion, inclusive education, patience, kindness, love, and acceptance).
