CIRCLE OF LIVES

Spirit circles are turning Fuuta's life upside down! First, thanks to Kouko's circle, Fuuta witnesses two deaths that hit very close to home. Then, after acquiring a spirit circle that has been kept safe for him by a spirit called Rune, Fuuta revisits other past lives, delving deeper into the tangled mysteries of his fate.

Satoshi Mizukami is a Japanese artist best known as the creator of Lucifer and the Biscuit Hammer, Sengoku Youko, and his critically-acclaimed Spirit Circle. He also provided a one-shot story for the Trigun: Multiple Bullets anthology released by Dark Horse.

"...a cast of characters that allows Mizukami to once again couple his own deep understanding of the ambiguities of emotion and desire and loneliness with his totally particular brand of wry humor to tell a story authentic and revealing." --Austin Price, Anime News Network

"Satoshi Mizukami's Spirit Circle is about destiny and reincarnation. More meaningfully, it's about forgiveness and compassion-how to heal your blood rift. It's a series that warns the reader implicitly against binge reading, while also acknowledging that the reader, like the main character, will be way too invested to listen." --Claire Napier, Comics Alliance

An Encyclopedia of Shamanism Volume 2, Shamanism can be defined as the practice of initiated shamans who are distinguished by their mastery of a range of altered states of consciousness. Shamanism arises from the actions the shaman takes in non-ordinary reality and the results of those actions in ordinary reality. It is not a religion, yet it demands spiritual discipline and personal sacrifice from the mature shaman who seeks the highest stages of mystical development.
