Book 3 in the Wolf Breeds series The forces of survival and destruction swirl in the darkest corners of men's minds. The nature of the beast cannot be harnessed, and survival is the purest of all instincts. Survival of the species itself goes soul deep. But can the human heart accept and adapt as easily? Can Charity bestow the love and the acceptance that has always been a part of her, to the man whose very survival depended on the hardening of his heart, of his soul? And can Aiden maintain that cruelty now, in the face of the sacrifices she made? Only time and nature can tell

Lora Leigh lives in the rolling hills of Kentucky, often found absorbing the ambience of this peaceful setting. She dreams in bright, vivid images of the characters intent on taking over her writing life, and fights a constant battle to put them on the hard drive of her computer before they can disappear as fast as they appeared.

Lora's family, and her writing life co-exist, if not in harmony, in relative peace with each other. Surrounded by a menagerie of pets, friends, and a teenage son who keeps her quick wit engaged, Lora's life is filled with joys, aided by her fans whose hearts remind her daily why she writes.

The Radical Cross, "The way of the cross is still the pain-wracked path to spiritual power and fruitfulness. So do not seek to hide from it. Do not accept an easy way. Do not allow yourself to be patted to sleep in a comfortable church, void of power and barren of fruit. Do not paint the cross nor deck it with flowers. Take it for what it is, as it is, and you fill find the rugged way to death and life. Let it slay you utterly." - A. W. Tozer, from "Coddled or Crucified?" in The Radical Cross In this collection of short essays, Tozer considers with piercing conviction the offense and power of the cross. May you venture unguarded into this book, that you might be utterly changed.
