---

After discovering six gold Roman coins buried in the mud of the Devil's Dyke, Barnabas Sackett enthusiastically invests in goods that he will offer for trade in America. But Sackett has a powerful enemy: Rupert Genester, nephew of an earl, wants him dead. A battlefield promise made to Sackett's father threatens Genester's inheritance. So on the eve of his departure for America, Sackett is attacked and thrown into the hold of a pirate ship. Genester's orders are for him to disappear into the waters of the Atlantic. But after managing to escape, Sackett makes his way to the Carolina coast. He sees in the raw, abundant land the promise of a bright future. But before that dream can be realized, he must first return to England and discover the secret of his father's legacy.

Son of a feared fighting man, Barnabas Sackett inherited his father's fiery temper, sense of justice and warrior skills. Declared an outlaw in his native England, Barnabas set his daring sights on the opportunities of the New World. The ruthless piracy of the open seas and the unknown dangers of the savage American wilderness lay before him. And so did the thrill of discovery and the chance to establish a bold new future if he survived. Louis L'Amour is the only American-born novelist in history to receive both the Presidential Medal of Freedom and the Congressional Gold Medal. He published ninety novels, thirty short-story collections, two works of nonfiction, a memoir, *Education of a Wandering Man*, and a volume of poetry, *Smoke from This Altar*. There are more than 300 million copies of his books in print.

From the Paperback edition.

#### Other Books

Jubal Sackett, In *Jubal Sackett*, the second generation of Louis L'Amour's great American family pursues a destiny in the wilderness of a sprawling new land. Jubal Sackett's urge to explore drove him westward, and when a Natchez priest asks him to undertake a nearly impossible quest, Sackett ventures into the endless grassy plains the Indians call the Far Seeing Lands. He seeks a Natchez exploration party and its leader, Itchakomi. It is she who will rule her people when their aging chief dies, but first she must vanquish her rival, the arrogant warrior Kapata. Sackett's quest will bring him danger from an implacable enemy . . . and show him a life—and a woman—worth dying for.
