Animalium

Jenny Broom studied Fine Art at the Slade, before becoming a writer and editor of children's books. She lives and works in London. Katie Scott graduated from University of Brighton in 2011. Her work draws influences from traditional medical and botanical illustration, both in aesthetic and subject matter. Her work plays with the ideas of scientific uncertainty and speculation, fabricating the inner and outer workings of the world. Her illustrations depict a familiar yet fantasy vision of plants, humans and minerals. A rich, informative and truly wonderful cabinet of curiosities is beautifully displayed in this imaginative and covetous book. -- Chris Packham Animalium (Welcome to the Museum) grants admittance to your very own private, virtual museum. 'Curator' Jenny Broom (who studied fine art at the Slade), has created a truly unique concept, whereby you can pore over each 'room' and 'exhibit' at your leisure. With fascinating facts and beautiful illustrations by Katie Scott, Animalium is a must for any child with a love for the animal kingdom. * Mumsnet.com * A glorious book featuring page after page of extraordinary creatures. Fish, invertebrates, amphibians, reptiles, birds and mammals are exquisitely drawn complete with Latin names and fascinating facts. This is a book Charles Darwin would have treasured. -- Harriet Green * The Guardian * The most beautiful book of the year is Animalium (Big Picture Press, GBP20), a big illustrated museum of creatures "curated" by Katie Scott and Jennie Broom. One for browsing and wondering at. -- Melanie McDonagh * The Evening Standard * "Stunning illustrations of 160 animals in a virtual museum. Kids over five will love this, as will the grown-ups!" * Prima magazine *
