When a small boy graduates from his little pony to a big horse, the pony is sad until the time comes when he is able to do something the big horse cannot do.

A little boy is in love with horses. He takes Little Black, his very own pony, on rides all around his family's property. However, one day the boy decides to ride Big Red, a horse that can do practically everything -- run fast, jump over obstacles, and even swim across rushing rivers! The boy begins spending more and more time with Big Red and less and less time with Little Black. However, when a ride on Big Red ends in a frightening accident, the boy must rely on Little Black to save him. Is there one thing Little Black can do that Big Red can't? Walter Farley's first book, *The Black Stallion*, was an instant hit when it appeared in 1941. Mr. Farley went on to write thirty-three other enormously popular books about the Black Stallion and other horses which were published in more than twenty countries. *Little Black, A Pony* was written for his own children in 1961.

*The Little Colonel's House Party*. As one of the gifts for her eleventh birthday Lloyd Sherman, the Little Colonel, is given permission to hold her very own house party. She invites her closest friends from all over the country--Eugenia Forbes of New York City, Joyce Ware of Plainsville, Kansas, and Beth Lewis of Jaynes, Kentucky--to her home in Lloydsboro Valley, Kentucky for her special event. Over the course of the weekend the four girls learn that, though they are very different, they all have much in common, and also teach each other the true meaning of friendship.

“ . . . With that the little black pony was off like an arrow toward Locust, with the big gray horse thundering hard at its heels. The dust flew, dogs barked, and chickens ran squawking across the road out of the way.”
