SOFTBOUND - GLUED BINDING

Mrs. Piggle-Wiggle has a trick up her sleeve

Mrs. Piggle-Wiggle loves everyone, and everyone loves her right back. The children love her because she is lots of fun. Their parents love her because she can cure children of absolutely any bad habit. The treatments are unusual, but they work! Who better than a pig, for instance, to teach a piggy little boy table manners? And what better way to cure the rainy-day "waddle-I-do's" than hunt for a pirate treasure in Mrs. Piggle-Wiggle's upside-down house?

A longtime resident of Washington State, Betty MacDonald (1908-1958) authored four humorous, autobiographical bestsellers and several children's books, including the popular Mrs. Piggle-Wiggle books.

Alexandra Boiger grew up in Munich, Germany, where she studied graphic design and began a career in feature animation that allowed her to work for Warner Bros. UK and DreamWorks. Since transitioning to children's book illustration, she has worked on numerous popular titles, including the Tallulah series. She lives with her husband and daughter in northern California.
