Power up with this OFFICIAL Redstone handbook--it's electrifying!

It's time to wire up and get connected to one of the most complex areas of Minecraft--Redstone. Redstone experts guide you through all aspects of working with Redstone including mining, smelting, using repeaters, circuit components and circuit designs. This handbook also includes exclusive tips from game creator Notch himself and some of the most extraordinary Redstone creations ever made. So power up and get switched on to Redstone--it's electrifying!

#### Other Books

Teaching Social Skills to Children with Autism Using Minecraft®. This comprehensive and accessible guide contains everything that needs to be known in order to set up and run a Minecraft® Social Group for children with autism spectrum disorders. Minecraft®, often described as 'digital Lego', provides an ideal forum to help children with autism and related conditions to develop social and communication skills. This book offers guidance on how to use the game to support the learning of social and emotional concepts such as having a conversation, showing interest in others and understanding another person's point of view. With over 150 pages of photocopiable and downloadable session plans, visuals and handouts, this manual is essential reading for professionals working with autism who are interested in introducing Minecraft® to support social skill development in their students.
