The new novel in the Jesus Chronicles, the bestselling series from the authors of the Left Behind novels.

Levi was studying to be a priest, but when an unspeakable tragedy befalls his family, he turns his back on his faith and decides to pursue riches and luxury instead. He becomes a tax collector, disappointing his family and reviled by Jews and Romans alike. And although he is a success, his chosen trade does not bring him contentment. When he hears about Jesus, the man who some are saying is the prophesied Messiah, he begins a quest that leads him to question his very existence. As he follows Jesus and records His words and deeds, Levi is shaken to the core and transformed. Renamed "Matthew" by Jesus--literally "gift from God"--he is called to give up his work and his worldly possessions and claims Jesus as his Lord.

Matthew's Story is a novel that brings to life the most unlikely of apostles--a sinner-turned-saint--and his time with the Lord. Thrilling and uplifting, Matthew's Story shows how the true Messiah changed the life of one man, and forever altered the course of history.

The Gospel of Matthew. This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture (CCSS), which will cover the entire New Testament. This volume, like each in the series, relates Scripture to life, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively. Praise for the CCSS: "These commentaries are both exegetically sound and spiritually nourishing. They are indispensable tools for preaching, catechesis, evangelization, and other forms of pastoral ministry."--Thomas G. Weinandy, OFM Cap, United States Conference of Catholic Bishops [?] [?] [?] [?] [?] . In this volume, Curtis Mitch and Edward Sri invite us to meet the Jesus depicted by the evangelist Matthew--to meet him in his historical context and to meet him without fear that Matthew is leading us astray."
