### Atkins' Physical Chemistry, 11/E

Atkins' Physical Chemistry is widely acknowledged by students and lecturers around the globe to be the textbook of choice for studying physical chemistry. This International Edition has been carefully developed to provide the information, explanation, and guidance you need to master the subject. Organized into discrete Topics to break down the material, and grouped into overarching Focuses to show the bigger picture, the international edition of Atkins' Physical Chemistry is closely matched to the needs of both lecturers and students. Extensive mathematical support includes 'Chemist's toolkits', which provide students with succinct reminders of mathematical concepts and techniques, and detailed annotations of mathematical derivations, broken into clear steps with signposted 'physical interpretation' sections. Learning features throughout the text, such as checklists of key concepts at the end of each focus, further support students in their study of the subject. The combination of the broad coverage, with the flexible and digestible structure, and use of learning features makes this international edition of Atkins' Physical Chemistry the textbook of choice for studying physical chemistry.

Get a Man, Keep a Man. So the "BIG QUESTION" has been popped and you're contemplating on your glorious walk down the aisle with all of the marital bliss to follow. While entwined in the whirlwinds of event planning, you hear a quieting in your soul, and then poses the "other big question" – Will we last? Often, ladies, it's so easy to become enthralled by the "idea of marriage". Finding that special someone to "sweep you off of your feet" becomes the goal and soon distorts the idea that matrimony is not just a gesture, but rather a journey to be embarked upon, and what's more a "responsibility". As time begins to age and the anticipation grows, PONDER NO MORE. Author, Shei Atkins has well written and laid out all of the effective tools you need to not only "Get" your man, but "Keep" your man. Bearing ten solid chapters, "Get a Man, Keep a Man" is bound to become the book that single and married women alike won't leave home (or plan for a date, for that matter) without. Shei takes you on a journey from start to finish in this instructional masterpiece. She takes the "First things First" approach and begins Chapter one with all the preliminaries and preparations needed for a successful relationship. This is an extremely encouraging and uplifting work that bears a powerful message as the author so tenaciously strolls her way point by point through the chapters without apology. Asking very daring questions such as "What if your man cheats?", and "Is he the one?" will definitely prevent you from making the biggest mistake of your life, but most importantly gear you up for the life and marriage you've always dreamed about. This book is the answer to all the questions you would like to know regarding keeping him close and you have it first hand from the author's experience. It's a wonder the book is so profusely and profoundly written. Shei is currently enjoying an almost nine-year run of marriage to her husband and best friend Drathoven. Ladies If you're ready for the authenticity of love's principals, purchase this book and have a one on one with Shei Atkins and she will tell you exactly how to "Get a Man. And Keep a Man".
