It is not by accident that you just picked up When God Winks. Whether you call it synchronicity or coincidence, what brought you to this book today is worth remembering. In fact, you may have suspected all along that there is more to coincidence than meets the eye. These seemingly random events are actually signposts that can help you successfully navigate your career, relationships, and interests. SQuire Rushnell shows us that by recognizing our "God Winks," we can use the untapped power of coincidence to vastly improve our lives.

The author applies his compelling theory as to why coincidences exist to fascinating stories in history, sports, medicine, and relationships involving both everyday and famous people including Barbra Streisand, Charles Schulz, Oprah Winfrey, Kevin Costner, Mark Twain, and Presidents John Adams and Thomas Jefferson.

SQuire Rushnell is a popular speaker and New York Times bestselling author who has coined the term "Godwink," now in mainstream usage. Within more than one million books in print, SQuire's Godwink stories are a popular monthly feature on the NBC Today Show. He has also appeared on several national television programs including Fox News Channel's Fox & Friends and CBS Sunday Morning. As a veteran ABC Television Network executive, he led Good Morning America to the number one spot and oversaw the acclaimed Schoolhouse Rock! series and the ABC Afterschool Specials. Programs under his direction have captured more than seventy-five Emmy Awards. A God wink is a coincidence that reminds us that we are connected to a higher power that can guide us to achieve things with our gifts. It is a signal we can look for, plot, and understand, and it can help us tune in to a more spiritual way of operating in the world. The stories are persuasive and the author, an acclaimed TV producer, pulls out all the emotional stops to deliver them with enthusiasm and wonder. Mental and written exercises throughout the program are appropriate to the author's purpose, though the stories by themselves will grab your attention whether you plug into the exercises or not. A captivating experience for your own enjoyment or for someone you know who needs a lift. T.W. [?] AudioFile 2001, Portland, Maine-- Copyright [?] AudioFile, Portland, Maine
