This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture (CCSS), which will cover the entire New Testament. This volume, like each in the series, relates Scripture to life, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively.

Praise for the CCSS:

"These commentaries are both exegetically sound and spiritually nourishing. They are indispensable tools for preaching, catechesis, evangelization, and other forms of pastoral ministry."--Thomas G. Weinandy, OFM Cap, United States Conference of Catholic Bishops
"In this exciting new commentary on the Gospel of Matthew, Curtis Mitch and Edward Sri do an outstanding job of fulfilling the biblical vision of Vatican II. For years I have wished for an up-to-date Catholic commentary on Matthew that would unite history and theology, Scripture and tradition, Old and New Testaments, Jewish roots and Christian faith. Now we have one! This extremely readable commentary should be on the shelf of any priest, deacon, seminarian, or layperson who wants to bring out 'treasures new and old' from the pages of the First Gospel."--Brant Pitre, Notre Dame Seminary, New Orleans

"Is it possible to write a historically informed commentary on the Gospel of Matthew that does not position itself skeptically vis-à-vis the claims made in the narrative? Catholic scholars have for some time been hesitant to answer yes. In this volume, Curtis Mitch and Edward Sri invite us to meet the Jesus depicted by the evangelist Matthew--to meet him in his historical context and to meet him without fear that Matthew is leading us astray. The result is like meeting Jesus again for the first time: the Jesus whom we worship in the liturgy meets us in the Gospel as the living, breathing first-century Jew who is Emmanuel, God with us."--Matthew Levering, University of Dayton

Praise for the Catholic Commentary on Sacred Scripture

"An ideal tool for living our faith more deeply. This extraordinary resource combines superior scholarship and a vivid, accessible style that will serve the interested layperson and the serious scholar equally well. It should be on the shelf of every committed Catholic believer. I highly recommend it."--Charles J. Chaput, OFM Cap, Archbishop of Denver

"This is a landmark achievement in theological interpretation of Scripture in and for the Church. Everything about it is inviting and edifying. It is a wonderful gift to the Catholic Church and a model for the rest of us. Highly recommended for all!"--Michael J. Gorman, St. Mary's Seminary and University, Baltimore

Introduction to the Bible. Catholics are often reluctant to begin reading the Bible, this is for various reasons. Perhaps we hang on to the notion that the Bible is a book meant for display, for recording the dates of family members' births, baptisms, marriages, and deaths. Or perhaps we once attempted to read the Bible and discovered there a culture entirely different from ours and came to the conclusion that the Bible had nothing relevant to say to us in this place and time. Attentive to these and the many other reasons Catholics might give for not reading Scripture, Stephen Binz offers practical explanations that will make the Bible less foreign and more familiar. Introduction to the Bible allows readers to discover how the Bible came to be, how to choose a Bible translation, how to interpret the Bible within Catholic tradition, and how to benefit the most from Bible study. Readers will find practical explanations that will make the Bible less foreign and more familiar. Stephen J. Binz is a Catholic biblical scholar, speaker, and counselor. He did graduate studies at the Pontifical Biblical Institute in Rome and is a member of the Catholic Biblical Association and the Society of Biblical Literature. Binz is the author of numerous books on the Bible, including *The Passion and Resurrection Narratives of Jesus* and *The God of Freedom and Life*, both published by Liturgical Press.
