Strategies for creating real estate wealth by starting small--and always making the right moves

Nationally known real estate expert John Schaub learned his craft in the best way possible--on the job, and through every kind of market. Over three decades, he learned to bank consistent profits as he built an impressive real estate mini-empire. Building Wealth One House at a Time reveals how virtually anyone can accumulate one million dollars worth of houses debtfree and earn a steady cash flow for life.

Unique in that it focuses on buying houses in good-quality neighborhoods, Schaub's nine-step program includes:

- >> Renting to long-term tenants, with financial incentives to pay on time
- >> Avoiding the temptation of bigger deals, which invariably include bigger problems
- >> A 10-year plan to pay off debt and own houses free and clear

"John Schaub is the only real estate guru I know who has survived and prospered for 30 years in this wild and wooly market."-Mark Skousen, Ph.D., Adjunct Professor of Economics, Columbia University, and Editor, Forecast and Strategies

The key in owning investment real estate is buying good houses in good neighborhoods.
