10th Anniversary Edition Whatever path you're on, God is there to guide you . . .

Anyone seeking to deepen his or her relationship with God will greatly benefit from Inner Compass, Margaret Silf's dynamic presentation of the profound insights of St. Ignatius of Loyola's Spiritual Exercises. While reflective, the work exudes a congenial, practical outlook and a thoroughly modern sensibility. As Silf points out, the book "grew out of questions rather than certainty, discovery rather than doctrine, the experience of everyday living rather than academic study."

This tenth-anniversary edition of the acclaimed Inner Compass features a new introduction and personal invitation to the reader, plus a significantly expanded resource section. Devoted followers of Ignatian spirituality and spiritual seekers alike will find that wherever life has led them, Inner Compass offers renewed direction and purpose and helps them recognize the will of God within their own hearts.

This refurbished edition of Inner Compass is being published as a celebration of the tenth anniversary of the acclaimed English-language primer on Ignatian spirituality. The new edition features a new introduction and personal invitation to the reader, a greatly expanded resource section, and a new design aimed at a new generation of spiritual readers.

Silf brings to the book both a laywoman's perspective and a gifted writer's literary skill. The entire work exudes a congenial, practical outlook and a thoroughly modern sensibility. As Silf says, the book "grew out of questions rather than certainty, discovery rather than doctrine, the experience of everyday living rather than academic study."

All readers seeking to deepen their relationship with God will benefit from Silf's dynamic presentation of Ignatius of Loyola's Spiritual Exercises.

Margaret Silf travels widely in her work as a retreat director and speaker on Ignatian spirituality. Her books include Inner Compass, Close to the Heart, Going on Retreat, and Compass Points. She lives in Scotland.

Other Books

Decision Making and Spiritual Discernment, Spiritual discernment is the traditional name for listening and responding to divine guidance. In this book you will approach decision making as an active participant, a co-creator with God in shaping your life. Drawing on twenty-five years of experience as a psychologist and fifteen years as a spiritual director, Nancy L.

Bieber presents three essential aspects of Spirit-led decision making:

☐ ☐ ☐ ☐ ☐ . May , Gerald G . The Awakened Heart : Opening Yourself to the Love You Need. San Francisco: HarperCollins, 1991. ---. Will and Spirit: A Contemplative Psychology. San Francisco: HarperSanFrancisco, 1982. Merton, Thomas."
