Is God's will top-secret?

When it comes to God's will, you may live in fear that He is holding out on you somehow. Yet, the Bible clearly reveals God's will for your life. You only need to listen.

When it comes to discovering God's will, author and pastor James MacDonald finds historic misunderstandings among Christians:

- ❓ "Can you ever be sure about what God wants you to do?"
- ❓ "What if you discover you've been doing something other than His will?"
- ❓ "If you somehow stepped out of God's will at some point, can you ever get back on track, or is your situation hopeless?"

Are you in God's will now? Is a confident answer to that question ever possible? James MacDonald (D. Min. Phoenix Seminary) is the founder and Senior Pastor of Harvest Bible Chapel. James also founded Harvest Bible Fellowship, a church-planting ministry, and his practical exposition of God's Word is broadcast around the world on radio and TV through Walk in the Word. James has authored several books and Bible studies, including Act Like Men, Authentic, When Life is Hard, Always True, and Vertical Church. He and his wife, Kathy, live in the Chicago area and have three adult children.

Good Or God?, These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.
