These are techniques that top players use again and again to get to make it to final tables around the globe.

Now, learn from one of the world's most successful No-Limit Hold Em players how to vary your style, optimize your betting patterns, analyze hands, respond to a re-raise, play to win the most money possible, react when a bad card hits and much, much more.

Dan Harrington won the gold bracelet and the World Champion title at the \$10,000 buy-in No-Limit Hold Em Championship at the 1995 World Series of Poker. And he was the only player to make it to the final table in 2003 (field of 839) and 2004 (field of 2576) considered by cognoscenti to be the greatest accomplishment in WSOP history. In Harrington on Hold Em, Harrington and 2-time World Backgammon Champion Bill Robertie have written the definitive book on No-Limit Hold Em for players who want to win ... and win big.

Dan Harrington began playing poker professionally in 1982. On the circuit he is known as Action Dan, an ironic reference to his solid but effective style. He has won several major no-limit hold em tournaments including the European Poker Championships (1995), the \$2,500 No-Limit Hold em event at the 1995 World Series of Poker, and the Four Queens No-Limit Hold em Championship (1996).

Dan began his serious games-playing with chess, where he quickly became a master and one of the strongest players in the New England area. In 1972 he won the Massachusetts Chess Championship, ahead of most of the top players in the area. In 1976 he started playing backgammon, a game which he also quickly mastered. He was soon one of the top money players in the Boston area, and in 1981 he won the World Cup of backgammon in Washington D.C., ahead of a field that included most of the world's top players.

He first played in the \$10,000 No-Limit Hold em Championship Event of the World Series of Poker in 1987. He has played in the championship a total of 15 times and has reached the final table in four of those tournaments, an amazing record. Besides winning the World Championship in 1995, he finished sixth in 1987, third in 2003, and fourth in 2004. In 2006 he finished second at the Doyle Brunson North American Championships at the Bellagio, while in 2007 he won the Legends of Poker tournament at the Bicycle Club. He is widely recognized as one of the greatest and most respected no-limit hold em players, as well as a feared opponent in both no-limit and limit hold em side games. He lives in Santa Monica where he is a partner in Anchor Loans, a real estate business.

Bill Robertie has spent his life playing and writing about chess, backgammon, and now poker. He began playing chess as a boy, inspired by Bobby Fischer's feats on the international chess scene. While attending Harvard as an undergraduate, he became a chess master and helped the Harvard chess team win several intercollegiate titles. After graduation, he won a number of chess tournaments, including the United States Championship at speed chess in 1970. He also established a reputation at blindfold chess, giving exhibitions on as many as eight boards simultaneously.

In 1976 he switched from chess to backgammon, becoming one of the top players in the world. His major titles include the World Championship in Monte Carlo in 1983 and 1987, the Black & White Championship in Boston in 1979, the Las Vegas tournaments in 1980 and 2001, the Bahamas Pro-Am in 1993, and the Istanbul World Open in 1994.

He has written several well-regarded backgammon books, the most noted of which are *Advanced Backgammon* (1991), a two-volume collection of 400 problems, and *Modern Backgammon* (2002), a new look at the underlying theory of the game. He has also written a set of three books for the beginning player: *Backgammon for Winners* (1994), *Backgammon for Serious Players* (1995), and *501 Essential Backgammon Problems* (1997).

From 1991 to 1998 he edited the magazine *Inside Backgammon* with Kent Goulding. He owns a publishing company, the Gammon Press, and lives in Arlington, Massachusetts with his wife Patrice.
